After You've Gone

```
  Fmaj7                  Bb9
After you've gone, and left me cryin'

  Cmaj7              A7
 After you've gone, there's no denying

  Dm               A7
You'll feel blue, you'll feel sad

  C               E7              Am7        C7
You'll miss the bestest pal that you've ever had

     Fmaj7             Bb9
There'll come a time, now don't forget it

  Cmaj7                A7
There'll come a time, when you regret it

  Dm   A7  Dm            Bb9
Some day, when you grow lonely

      C          E7                     Am7          F#dim
Your heart will break, like mine, and you'll want me only

   C                 G7               C    C7
After you've gone; after you've gone away.
```

After you've gone, after the breakup ... After you've gone, you're gonna wake up
And you will find that you were blind ... To let somebody come & change your mind
After the years that we've been together ...
The joy and all the tears, in all types of weather.
Some day, when you're down hearted.
You'll long to be with me right back where we started.
After you've gone; after you've gone away.

[Outro]

Dm - A7 - Dm                          C           E7
A7
Oh Babe, think what you're doin' ... You know my love for you will
drive me to ruin
   C                 G7                 C
After you've gone; after you've gone away.
