Autumn Leaves

```
              Dm7     G7          Cmaj7     F
The falling leaves drift by my window

Dm7                 E7                Am
The falling leaves       of red and gold

             Dm7     G7            Cmaj7    F
I see your lips,       the summer kisses

Dm7                    E7                Am
The sunburned hands         I used to hold

          E7                        Am
Since you went away the days grow long

               Dm7       G7       Cmaj7
And soon I'll hear old winter's song

       Dm7      G7               C   Am
But I miss you most of all, my darling

      Dm7    E7               Am
When autumn leaves start to fall
