Bye Bye Birdbird

```
C               F         C
Pack up all my cares and woe,

Em     G7 Dm7     C
here I go singing low,

C7  Cdim    Dm7  G7    Dm7 G7
Bye Bye     Blackbird.

Dm              G7        Dm
Where somebody waits for me

G7      Em           G7
sugar's sweet, so is she.

G7      C
Bye Bye Blackbird.

C7                              Gm    C#dim
No one here can love and understand me,

Dm       Dm7       C       D7       Fm   G7
oh, what hard luck stories they all hand me.

C                F         C
make my bed and light the light,

Em   G7     Gm7    A7
I'll arrive late tonight,

Dm7              G7      C       Am7 Dm7 G7
Blackbird,       bye     bye.
