Bye Bye Blues

```
G          Eb      G          E7
Bye, bye, blues...bye, bye, blues.

A7          D7
Don't cry, don't sigh,

    G                C       D7
The sun is shining, no more pining.

G       Eb   G        E7
Just we two, smiling through...

A7          D7          G    C    Cm   G      (D7)
Don't sigh, don't cry...bye, bye..bye, blues.
```
