In the Bleak Midwinter

```
C                 Am       F             G
In the bleak midwinter, frosty wind made moan,

C                    Am    F      G      C
Earth stood hard as iron, water like a stone;

Dm          Em     Am       Dm     G
Snow had fallen, snow on snow on snow

C                 Am      F    G  C
In the bleak midwinter, long ago.
