

## ***Careless Love***

D            A                            D  
Love, oh love oh careless love

D            B7                            E7    A7  
Love, oh love oh careless love

D    D7            G                            Gm  
You caused me to weep, you caused me to mourn

          D            B7            E7            A7            D  
You caused me to leave my happy home
