

## ***Cry Me a River***

Am6                              Am              Dm7                              G7                              Cmaj7 E7  
Now you say you're lonely,     you cry the whole night through

A7    D9  
Well you can cry me a river, cry me a river,

F                              E7                              Am              E7  
I cried a river over you

Am6    Am Dm7    G7     Cmaj7              E7  
Now you say you're sorry              for being so untrue

A7    D9    F                              E7                              C  
Well you can cry me a river, cry me a river, I cried a river over you

### Bridge

Em    Am                              B7  
You drove me, nearly drove me out of my head,

Em    Am                              B7  
while you never shed a tear

Em    Am                              B7  
Remember? I remember all that you said

E    Bm7    E7  
Told me love was too plebeian, told me you were through with me, and

Am6    Am7     Dm7    G7                              Cmaj7              E7  
Now you say you love me;              well, just to prove it's true

A7    D9    F                              E7                              Am  
You can cry me a river, cry me a river, I cried a river over you
