

## *Down by the Salley Gardens*

C G F Em F G F C  
Down by the Salley Gardens my love and I did meet

C G F Em F G F C  
She passed the Salley Gardens on little snow-white feet

Am F Em  
She bade me take life easy,

F G F C  
as the grass grows under the trees

But I was young and foolish, no use to talk to me.
