

Lord, Ain't the Gravy Good

G G7 C7 A7
I don't like your steak, your steak is too tough

G G7
Your bean's need boiling

A7 D7
And your greens kinda rough

G G7
There's a grizzle in your chops

C7 A7
I mean, they're hard as wood,

G D7 G
But lord, ain't the gravy good?

-Verse 2-

Chorus:

C7 G
It's got the right amount of spices and stuff

D7 G G7
The combination's divine

C7 G
All the right amount of pepper and salt

A7 D7
Goes to my head just like a cup of wine

-Verse 3-
