

Make You Feel My Love

D **A**
When the rain is blowing in your face
C **G**
And the whole world is on your case
Gm **D**
I could offer you a warm embrace
Em7 **A7** **D**
To make you feel my love

Evening shadows and the stars appear
And there's no one to dry your tears
I could hold you for a million years
To make you feel my love

G **D**
I know you haven't made your mind up yet
F#7 **G** **D**
But I would never do you wrong
G **D**
I've known it from the moment that we met
Em7 **A7**
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
Nothing that I wouldn't do
To make you feel my love

Storms a-ragin' on the rolling sea,
On the highway of regret
Winds of changes blowin' wild and free
You've not seen nothing like me yet

I could you happy, make your dreams come through
Nothing that I wouldn't do
Go to the ends of the Earth for you
To make you feel my love
