

Nobody Knows You When You're Down & Out

(F F# G Bb A D7 G7)

C E7 Am A7
Once I had the life of a millionaire

F A7 Dm A Dm
Spending my money like I didn't care

F B7 C B7 A7
Taking my friends out for a mighty good time

 D7 G G7
I bought that bootleg liquor, candy and wine

C E7 Am A7
Then I got down and I fell so low

 F A7 Dm A7 Dm
I didn't have no money, and no place to go

F B7 C B7 A7
If I ever get myself a dollar again

 D7 G G7
I'm gonna hang on to it 'til the eagle grins
