

## ***One Red Rose***

G D  
The rain fell down on the tin roof and hardly

C D  
A sound was left from the birthday party

C D G D  
The kitchen light fell asleep on the bedroom floor

G D  
Me and her were talking softer

C D  
Than all the time before I lost her

C D G  
Picture sat on top of the chest of drawers

-Chorus-

C D G  
One red rose in the Bible

C G D  
Pressed between the holy alphabet

C D G  
Wouldn't believe you if you told me

C D G (D)  
But what I never knew I never will forget
