

Stardust

Cmaj7

Sometimes I wonder why I spend,

Cm

the lonely night, dreaming of a song;

G Em Bm E7

The melody, haunts my reverie,

Am7 E7 Am7

and I am once again with you.

D7

G Em

When our love was new, and each kiss an inspiration;

A7

But that was long ago, now my consolation,

D7 Am7 D7 D9

is in the stardust of a song.

Cmaj7

Cm

Beside a garden wall, when stars are bright,

G Em Bm E7

You are in my arms, the nightingale tells his fairytale

Am7 E7 Am7 D7 C#7 Cm

A paradise where roses bloom, Though I dream in vain,

G D Em G F#7 Am E7

in my heart it will remain, my stardust melody

D7

G

The memory of love's refrain.
