

## ***Sweet Country Love***

Amaj7                      Bm7                      A                      D  
It's one of those evenings when everything tinglin'

Amaj7                      Bm7                      E  
I got nothing to do with my time.

D                      A                      D7                      Dm7  
I just sit back and gaze at the simply amazin' way

Amaj7                      Bm7                      Amaj7  
That everything's coming out rhymed.

Verse 2

Chorus

G    D    A  
I ain't no poet but you've got me showin' my feelings

G  
It's sorta like seein' the world

D    E  
In colors for the very first time

D                      A                      D7                      Dm7  
And you know the reason I'm in love with this season

Amaj7                      Bm7                      Amj7  
It's your love, the sweet country kind.
