And anyone could tell      you think you know me well

                          G                  (D)  
But you don't know me

Bridge

          C                  Am7          Bm  
For I never knew the art of making love

          Am7                                  D                  G          G7  
Though my heart aches with the love for you

          C                  Am7          Bm

The chance you might have loved me too
